UNITED STATES OF AMERICA
CIVIL AERONAUTICS BOARD
WASHINGTON, D. C.

Civil Air Regulations Amendment 60-6
Effective: January 1, 1943
Adopted: January 1, 1943

Part 60 of the Civil Air Regulations is amended as follows:

Strike section 60.348 and insert in lieu thereof the following:

60.348 Airspace restrictions. Areas in which the flight of aircraft is prohibited or restricted are classified as caution areas, danger areas, and prohibited areas.

60.3480 Caution area. An area designated by the Administrator in which a visible hazard to aircraft in flight exists and which should be avoided if practicable.

60.3481 Danger area. An area designated by the Administrator in which an invisible hazard to aircraft in flight exists. No flight of aircraft shall be conducted in this area without specific authority issued by the agency having jurisdiction over the danger area.

60.3482 Prohibited area. An area established by Executive Order of the President of the United States. No flight of aircraft shall be made in this area except aircraft actually engaged in defense missions, or otherwise in accordance with the Executive Order establishing such areas.

NOTE.--Restricted areas are indicated on aeronautical charts and published in Weekly Notice to Airmen, issued by the Administrator of Civil Aeronautics."

By the Civil Aeronautics Board:
