CIVIL AERONAUTICS BOARD
WASHINGTON, D. C.

Effective: July 30, 1942
Adopted: July 30, 1942

REGULATION

Authorization to the Administrator of Civil Aeronautics to issue "assistant airline transport pilot certificates" to a designated class of pilots.

The Civil Aeronautics Board finding that its action herein is in the public interest and is necessary to the successful prosecution of the War Effort makes and promulgates the following special regulation:

"An airman certificate of Assistant Airline Transport Pilot grade may be issued by the Administrator of Civil Aeronautics to pilots listed in the operations specifications of scheduled air carriers engaged in overseas or foreign air transportation:

"Provided, That such pilots are holders of currently effective commercial pilot certificates with proper aircraft and instrument ratings: Provided further, That such certificates shall authorize these pilots to serve as first pilots in scheduled air transportation carrying cargo and mail only and shall not be effective beyond January 1, 1943."
