CIVIL AERONAUTICS MANUALS—Volume II

U. S. Department of Commerce — Civil Aeronautics Administration

Civil Aeronautics Manuals and supplements thereto are issued by the Office of Flight Operations and Airworthiness, Civil Aeronautics Administration, for the guidance of the public and are published in the Federal Register and the Code of Federal Regulations.

Supplement No. 9 — **June 15, 1957**

SUBJECT: Revisions to CAM 3 dated October 1956 and CAM 6 dated November 1956.

This supplement is issued for the purpose of bringing the Civil Air Regulations up-to-date in the subject manuals.

Changes to the section on position light system installation and a new section concerning the anticollision light system are added to both manuals. In addition, a new section 3.705–1, anticollision light standards, is added to CAM 3. Also included in each manual is Special Civil Air Regulation No. SR–392B concerning facilitation of experiments with exterior lighting systems.

This supplement includes Amendments 3–1 and 6–1 effective April 1, 1957, and Special Civil Air Regulation No. SR–392B, effective February 25, 1957.

The new and revised material is indicated by brackets.
