Policy Statements - Part 399
Effective: May 8, 1958
Adopted: May 8, 1958

STATEMENTS OF GENERAL POLICY

CONFIDENTIAL TREATMENT OF PRELIMINARY YEAR-END REPORTS

Section 399.25 of Part 399 adopted May 25, 1955, states that it is the Board's policy to accord confidential treatment to preliminary year-end carrier reports upon request until final reports are filed or until the date such reports are due, whichever first occurs.

Contemporaneously herewith, the Board is adopting an amendment to Part 241 of the Economic Regulations setting forth its future policy with respect to the confidential treatment of preliminary year-end reports. Under this amendment the Board will decide on the merits of each case, as presented by the carrier, whether or not confidential treatment of individual preliminary reports is in the public interest.

The policy set forth in Section 399.25 having thus been superseded by the amendment to Part 241, this amendment to Part 399 is being adopted to repeal the provisions of Section 399.25.

Since this rule relates only to statements of policy, notice and public procedure hereon are unnecessary, and the regulation may be made effective upon less than 30 days' notice.

In consideration of the foregoing, the Civil Aeronautics Board hereby amends subpart (b) of Part 399 effective May 8, 1958, as follows:

1. By repealing Section 399.25.

(Sec. 205, 52 Stat. 984; 49 U.S.C. 425. Administrative Procedure Act, Sec. 3, 60 Stat. 238; 5 U.S.C. 1002).
