TITLE 14-AERONAUTICS AND SPACE

CHAPTER I-FEDERAL AVIATION AGENCY

SUBCHAPTER E-AIRSPACE (NEW)

(Airspace Docket No. 63-EA-4)

PART 73-SPECIAL USE AIRSPACE (NEW)

Alteration of Restricted Area

The purpose of this amendment to § 73.52 of the Federal Aviation Regulations is to reduce the time of designation of the Oswego, N. Y., Restricted Area R-5203.

On September 1, 1961, in response to an urgent request from the Department of the Air Force, the time of designation of the Oswego, N. Y., Restricted Area R-5203 was extended from "Sunrise to sunset, March 30 through November 30" to "Sunrise to sunset."

The Department of the Air Force has advised that their requirements for R-5203 are now from sunrise to sunset, April 1 through December 31, and that the time of designation of this restricted area can be amended accordingly. Such action is taken herein.

Since this amendment reduces the burden on the public, notice and public procedure hereon are unnecessary, and it may be made effective immediately.

In consideration of the foregoing, and pursuant to the authority delegated to me by the Administrator (25 F. R. 12582), the following action is taken:

(Airspace Docket No. 63-EA-4)

In § 73.52 New York (28 F. R. 19-34, January 26, 1963), Oswego, N. Y., Restricted Area R-5203, "Sunrise to sunset." is deleted and "Sunrise to sunset, April 1 through December 31." is substituted therefor.

This amendment shall become effective upon date of publication in the Federal Register.

(Sec. 307(a), 72 Stat. 749; U. S. C. 1348).
