Amdt. 6....Effective Dec. 1, 1953
(18 Federal Register 6994)

Pursuant to the Convention on International Civil Aviation, Annex 9, as amended, concerning facilitation of international air transportation, the United States and other contracting states have agreed to accept certificates containing specified information for temporary admission of flight crew members or crew members into their respective states. The following new § 406.19 is hereby adopted to provide a procedure for the issuance of such certificates:

§ 406.19 *Crew member certificate—*
(a) *Purpose.* This certificate will be issued to facilitate the entry and clearance into ICAO contracting states of United States citizens employed by scheduled air carriers as flight crew members or crew members on U. S.-registered aircraft engaged in scheduled international air transportation, as provided in Annex 9, as amended, to the Convention on International Civil Aviation.

(b) *Application.* An application for this certificate shall be made on an "Application for Crew Member Certificate," Form ACA-2116, and submitted to the Civil Aeronautics Administration Air Carrier Agent in charge of the air carrier by whom the applicant is employed.

(c) *Issuance.* This certificate will be issued on a "Crew Member Certificate," Form ACA-2116.1.

(d) *Surrender.* This certificate will be surrendered for cancellation by the air carrier or the certificate holder to the nearest CAA Aviation Safety Agent upon termination of the holder's assignment in scheduled international air transportation with the air carrier.

(Sec. 205, 52 Stat. 984, as amended; 49 U. S. C. 425. Interpret or apply Articles 22, 23, 37, 61 Stat. 1186, 1190)
