CIVIL AERONAUTICS BOARD
WASHINGTON, D. C.

Regulations
Serial Number 228

Effective: June 9, 1942
Adopted: June 9, 1942

REGULATION

IT APPEARING THAT:

(a) Scheduled air carrier operators are engaged in military charter cargo operations for the carriage of military cargo;

(b) Section 04.710 limits the use of provisional gross weight to airplanes engaged in scheduled air carrier operations; it is desirable to permit airplanes engaged in military cargo charter operations to operate at provisional gross weight in order to increase the transportation of needed war materials;

THE BOARD FINDS THAT:

Its action is desirable in the public interest, and is necessary to the furtherance of the war effort;

NOW THEREFORE, the Civil Aeronautics Board, acting pursuant to the authority vested in it by the Civil Aeronautics Act of 1938, as amended, particularly sections 205 and 601 of the said Act makes and promulgates the following special regulation, effective immediately:

"Notwithstanding the provisions of section 04.710 of the Civil Air Regulations to the contrary, scheduled air carrier operators engaged in military charter operations for the carriage of military cargo and personnel exclusively may dispatch aircraft at provisional gross weight subject to the pertinent conditions and restrictions applicable to scheduled operations."

By the Civil Aeronautics Board:
