NOTICE

U.S. DEPARTMENT OF TRANSPORTATION
FEDERAL AVIATION ADMINISTRATION
Air Traffic Organization Policy

N JO 7340.839

Effective Date:
April 10, 2025

Cancellation Date:
April 10, 2026

SUBJ: Foreign ICAO Three Letter Telephony Designator (3LTD) Additions, Modifications, and Deletions (excluding U.S.)

1. Purpose of This Notice. This notice modifies FAA Order JO 7340.2, *Contractions*, Chapter 3, Sections 1, 2, and 3, *ICAO Aircraft Company/Telephony/Three-Letter Designator*. This notice reflects recent changes initiated by countries other than the United States (U.S.) including new International Civil Aviation Organization (ICAO) Three Letter Telephony Designators (3LTDs); deletions of defunct ICAO 3LTDs; and modifications to ICAO three letter designators, telephonies, and companies/agencies. This notice supplements FAA Order JO 7340.2 until these changes are incorporated into the order. This notice does not replace or substitute for GENOTs issued by the Federal Aviation Administration (FAA) Air Traffic Organization (ATO) for ICAO 3LTDs assigned and authorized for U.S. aircraft operators.

NOTE- *ICAO has changed its terminology of three-letter designator (3LD) to three-letter telephony designator (3LTD).*

2. Audience. This notice applies to the following ATO service units: Air Traffic Services, and System Operations Services; ATO Safety and Technical Training; and all associated air traffic control facilities. This notice is informational in nature and does not require documentation as supplemental training in FAA Form 3120-1, Training and Proficiency Record.

3. Where Can I Find This Notice? This notice is available on the MyFAA employee website at https://employees.faa.gov/tools_resources/orders_notices/ and on the air traffic publications website at http://www.faa.gov/air_traffic/publications/.

4. Duration of this Notice. This notice is temporary and will be superseded by FAA Order JO 7340.2 when the listings in this notice are published within that order.

5. Source: International Civil Aviation Organization. The source document for the ICAO 3LTD additions, and modifications, and deletions contained in this notice is ICAO Document 8585, *Designators for Aircraft Operating Agencies, Aeronautical Authorities, and Services*, dated April 01, 2025. Therefore, the validation date for these ICAO 3LTD changes is April 01, 2025. This validation date will differ from the effective date of the notice due to the processing time needed by ATO to receive ICAO Document 8585 and identify the changes.

6. Procedures/Responsibilities/Action. Add the following ICAO 3LTD and associated information to FAA Order JO 7340.2, Chapter 3, Sections 1, 2, and 3, as follows:

ICAO 3LTD Additions, Deletions, and Modifications (excluding U.S.)
Addendum to FAA Order JO 7340.2 (Changes valid April 01, 2025)

7. Background. Between the 3-4 month publication cycle of FAA Order 7340.2, GENOTs are issued by ATO, as necessary, to provide notification of ICAO 3LTD additions and modifications for U.S. aircraft operators. The information and changes contained in these GENOTs are then incorporated into FAA Order JO 7340.2 when the publication cycle permits. However, foreign countries also process ICAO 3LTD additions and modifications for foreign aircraft operators between these publication cycles. ATO does not issue GENOTs for these foreign ICAO 3LTD additions and modifications leaving these changes to await the next publication date of FAA Order 7340.2. In an effort to notify ATC and the U.S. public of these foreign ICAO 3LTD additions and modifications in a more timely manner, ATO will issue a notice on an approximate monthly basis. The listings are extracted from ICAO Document 8585, *Designators for Aircraft Operating Agencies, Aeronautical Authorities and Services,* and verified by ATO System Operations Security. These notices will be issued as temporary addendums to FAA Order 7340.2.

8. Distribution. This notice is available online and will be distributed electronically to all offices that subscribe to receive email notification/access to it through the FAA website (https://www.faa.gov/air_traffic/publications/).
