UNITED STATES OF AMERICA
CIVIL AERONAUTICS BOARD
WASHINGTON, D. C.

Civil Air Regulations Amendment 20-3
Effective: September 19, 1944
Adopted: September 19, 1944

AERONAUTICAL SKILL

Effective September 19, 1944, § 20.127 of the Civil Air Regulations is amended by adding paragraph (g) to read as follows:

20.127 Aeronautical skill. Applicant shall satisfactorily demonstrate his ability to pilot aircraft in solo flight and, in addition to normal take-offs, turns, and landings, to perform satisfactorily the following maneuvers: * * * * *

(g) When the applicant's medical certificate shows a structural defect or limitation such additional maneuvers and tests as may be found necessary by the Administrator to demonstrate the competency of the applicant to pilot aircraft safely. A pilot certificate issued under these circumstances may be limited to the operation of a particular aircraft and as to type of operation and period of reexamination.

By the Civil Aeronautics Board:

/s/ *Fred A. Toombs*

Fred A. Toombs
Secretary
