FEDERAL AVIATION AGENCY
WASHINGTON, D.C.

Civil Air Regulations Amendment 42-36
Effective: January 20, 1962
Issued: December 28, 1961

[Reg. Docket No. 152; Amdt. 42-36]

PART 42—IRREGULAR AIR CARRIER AND OFF-ROUTE RULES

Carriage of Cargo in Passenger Compartments

On November 27, 1961, the Federal Aviation Agency issued Amendment 42-35 to Part 42 of the Civil Air Regulations, (26 F.R. 11356) to become effective on January 2, 1962.

Subsequent to the issuance of this amendment, certain air carriers requested reconsideration of those provisions of the amendment restricting the height of the cargo bins which may be approved for the carriage of cargo in the passenger compartments. A preliminary reevaluation of this request indicates that the height restriction may be relaxed or eliminated without adversely affecting safety. Accordingly, in order to provide sufficient time for the completion of this reevaluation and to make other required clarifying changes, the effective date of Amendment 42-35 is being postponed from January 2, 1962, until January 20, 1962.

In view of the foregoing, I find that notice and public procedure hereon are impracticable, and good cause exists for making this amendment effective on less than 30 days' notice.

In consideration of the foregoing, Part 42 of the Civil Air Regulations (14 CFR Part 42) is hereby amended, effective January 2, 1962:

By amending the January 2, 1962, effective date of Amendment 42-35 to read January 20, 1962.

(Secs. 313(a), 601, 604, 605; 72 Stat. 752, 775, 778; 49 U.S.C. 1354(a), 1421, 1424, 1425)

Issued in Washington, D.C., on December 28, 1961.

N. E. HALABY,
Administrator.
