CAA Library

April 1, 1954

CONSOLIDATED LISTING OF CAA APPROVED REPAIR STATIONS LOCATED IN REGIONS 1 THROUGH 6 AND THE INTERNATIONAL REGION

This listing has been prepared to show the name, mailing address, and approved ratings of repair stations which have been issued air agency certificates by the CAA as provided for in CAR Part 52, effective June 15, 1952, and supersedes the listing dated October 13, 1953.

The listing is divided into CAA regions, each region being further divided alphabetically by states. Requests for information relative to CAA approved repair stations should be directed to the Regional Administrator, CAA, at the address shown at the head of the regional listing.

Foreign repair stations are rated in the same general manner as domestic stations; however, all ratings, unlike domestic ratings, are subject to specific limitations imposed by the Administrator. For further information regarding such limitations, it is suggested that communications be directed to the Washington office of the Civil Aeronautics Administration, Reference IR-1.

The approved ratings of the repair stations are indicated on the listing by use of code letters. These ratings represent those provided for in CAR 52.26 and 52.27, which are:

A -1	Airframe, Class 1
A -2	Airframe, Class 2
A -3	Airframe, Class 3
A -4	Airframe, Class 4
P -1	Powerplant, Class 1
P -2	Powerplant, Class 2
P -3	Powerplant, Class 3
PR-1	Propeller, Class 1
PR-2	Propeller, Class 2
R -1	Radio, Class 1
R -2	Radio, Class 2
R -3	Radio, Class 3
I -1	Instrument, Class 1
I -2	Instrument, Class 2
I -3	Instrument, Class 3
I -4	Instrument, Class 4
AC-1	Accessory, Class 1
AC-2	Accessory, Class 2
AC-3	Accessory, Class 3

L-A	Limited Airframe
L-P	Limited Powerplant
L-PR	Limited Propeller
L-I	Limited Instrument
L-R	Limited Radio
L-AC	Limited Accessory
L-LGC	Limited Landing Gear Component Overhaul and Repair
L-F	Limited Float Overhaul and Repair
L-M&F	Limited Magnetic and Fluorescent Inspection
L-EE	Limited Emergency Equipment Overhaul and Repair
L-RB	Limited Rotor Blade Overhaul and Repair
L-AF	Limited Aircraft Fabric Work
L-XR	Limited X-Ray Inspection

A limited rating indicates that the repair station specializes or chooses to be rated for some particular product or specialized technique. The

APR 29 1954

privileges of such stations are the same as a class type station but only in respect to the product or service for which it is rated. Class type stations usually cover a broader field of activity than a station with a limited rating.

The detailed limitations of all certificated repair stations are stated on the Operations Specifications, Form ACA-390.1, Pages 1 and 2, which is required to be prominently displayed on the premises of the station.

For further information regarding repair station requisites and privileges, refer to Civil Aeronautics Manual 52, Repair Station Certificates, which is on sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C., for $1.00 per copy.

DISTRIBUTION:
AIR-1, AIR-2, AIR-3, AIR-3A,
AIR-10, AIR-14, AIR-16,
AIR-23 tab 4, AIR-40 tabs 2 and 9,
AIR-40-F-1 , AIR-40-1
