7-6

TITLE 14-AERONAUTICS AND SPACE

CHAPTER I-FEDERAL AVIATION AGENCY

SUBCHAPTER E-AIRSPACE (NEW)

(Airspace Docket No. 63-WA-68)

PART 71-DESIGNATION OF FEDERAL AIRWAYS, CONTROLLED AIRSPACE, AND REPORTING POINTS (NEW)

Alteration of Transition Area

On June 28, 1963, there was published in the Federal Register (28 F.R. 6678) an amendment to § 71.181 of the Federal Aviation Regulations, effective August 22, 1963, that designated a transition area at Wink, Tex.

Subsequent to publication of the amendment, precise cartographic measurements, attendant to the production of aeronautical charts, have revealed that the portion of the Wink transition area based on Lat. 32° 00' 00" N, will not properly coincide with the Midland, Tex., transition area boundary. Therefore, action is taken herein to substitute Lat. 32° 02' 00" N for Lat. 32° 00' 00" N, in the description of the Wink transition area.

Since this change is minor in nature and imposes no additional burden on any person, notice and public procedure hereon are unnecessary, and it may be made effective on less than 30 days' notice.

In consideration of the foregoing, the following action is taken effective immediately:

In § 71.181 (27 F.R. 220-139, November 10, 1962, 28 F.R. 6678), the Wink, Tex., transition area is amended as follows: "Lat. 32° 00' 00" N," is deleted and "Lat. 32° 02' 00" N," is substituted therefor.
