CIVIL AERONAUTICS MANUALS—Volume I

U. S. Department of Commerce **Civil Aeronautics Administration**

Civil Aeronautics Manuals and supplements thereto are issued by the Office of Flight Operations and Airworthiness, Civil Aeronautics Administration, for the guidance of the public and are published in the Federal Register and the Code of Federal Regulations.

Supplement No. 5 **January 15, 1958**

SUBJECT: Revisions to Civil Aeronautics Manual 60 dated December 15, 1956.

CAM 60 is revised to provide for the use of approved jet penetration procedures by military aircraft and more specific holding pattern procedures. The revision also includes changes in format and language not involving a substantive change.

The new material is indicated by brackets.

Remove and destroy the following pages:
27 through 29
