Dear Mr. Keeler:

Thank you for your letter of December 10, 1990, in which you ask for an interpretation of the Federal Aviation Regulations concerning what rules apply to flights carrying medical technicians on air ambulance return flights. We apologize for the delay in answering your letter.

We believe the enclosed interpretation of June 7, 1990, is sufficiently on point to answer fully the question you asked. If this is not the case, please feel free to contact us with any specific questions you may have.

Sincerely,

Donald P. Byrne Assistant Chief Counsel
