NOTICE

U.S. DEPARTMENT OF TRANSPORTATION
FEDERAL AVIATION ADMINISTRATION

N 1100.304

Effective Date:
3/27/06

SUBJ: Air Traffic Organization

1. **PURPOSE.** This notice announces the establishment of the support service functions established in the Air Traffic Organization (ATO) Service Centers.

2. **DISTRIBUTION.** This notice is distributed to division level in Washington, regions, and centers with distribution to all field offices and facilities.

3. **SERVICE AREAS.** The ATO Chief Operating Officer has established administrative and support services at the Service Centers. The mission of these Service Centers will be to provide safety assurance, system support for the national airspace system, implementation and planning, and requirements for ATO air traffic and maintenance operations, financial, material management, and administrative services for the Directors of Operations for EnRoute and Oceanic, Terminal, Technical Operations, and Tactical Operations at the service area locations. These Service Centers will be collocated with the FAA regional headquarters in Atlanta, Fort Worth, and Seattle.

4. **SERVICE CENTER FUNCTIONS.** The ATO Service Centers are organized into five specific Groups with subordinate organizations reporting to the Manager of these Groups. The specific Groups and functions for the Service Centers are depicted in Appendix A, B, and C.

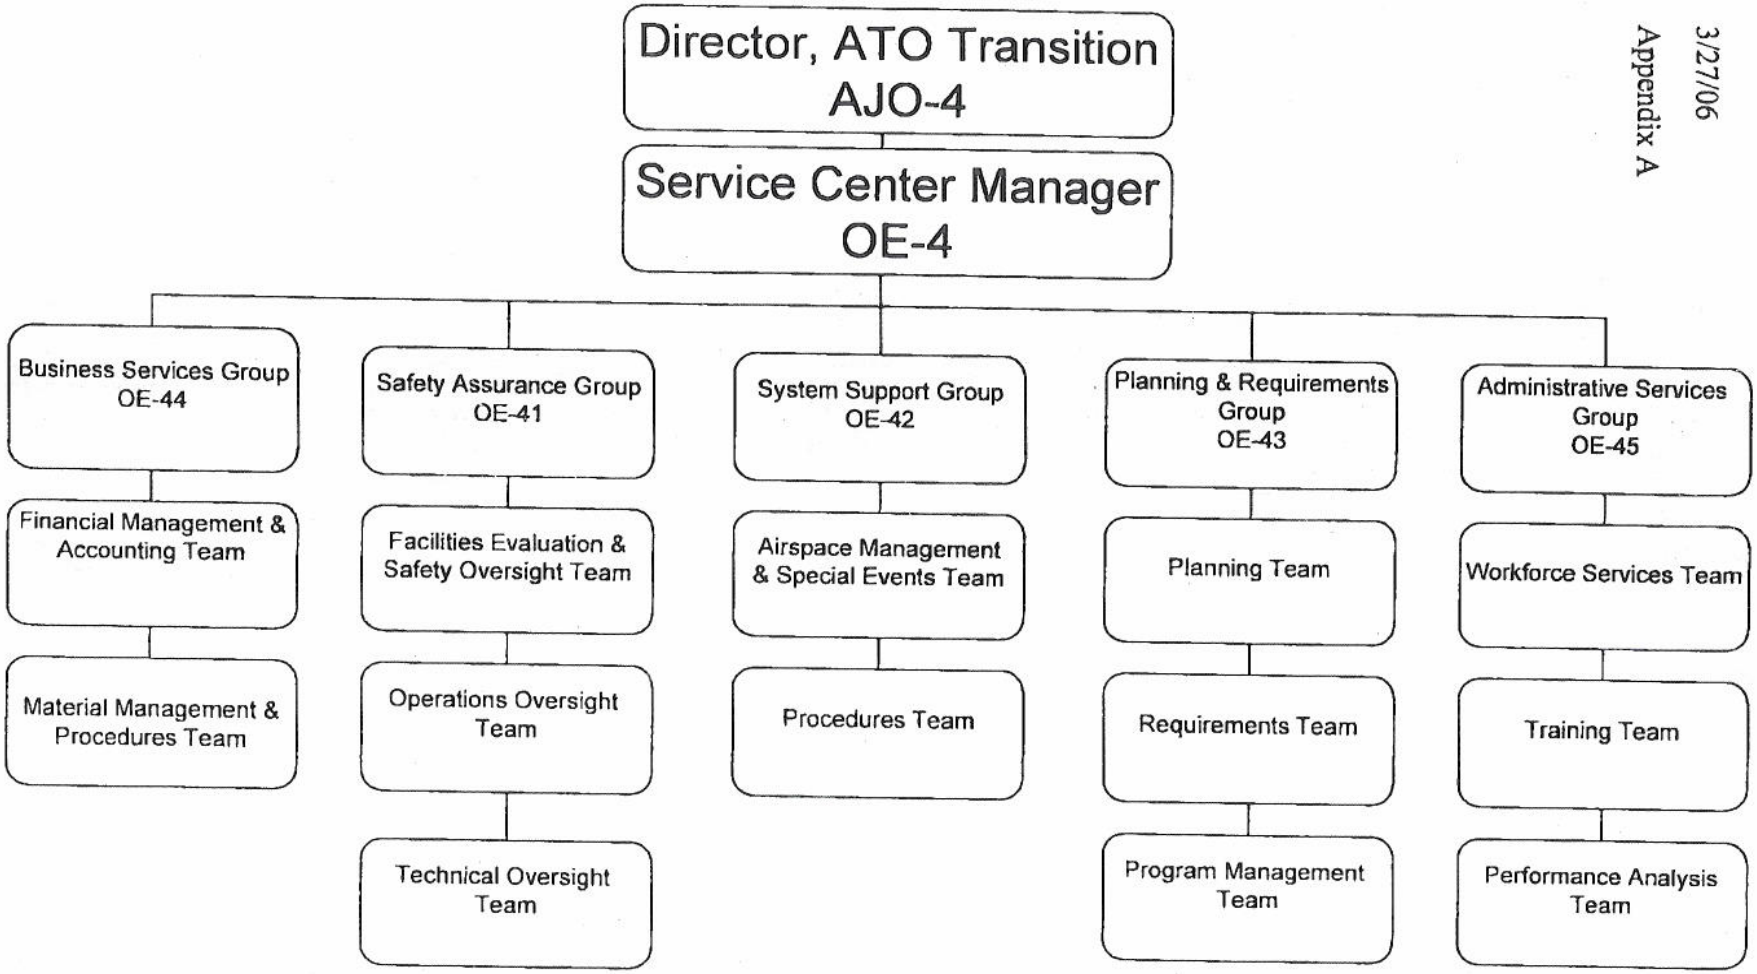

5. **DOCUMENTATION.** The next version of Handbook 1100.2 will document this organization structure.
