6. Background. Section 935 of the FAA Reauthorization Act of 2024 (Public Law 118-63) amended section 44812 of Title 49 United States Code (U.S.C). This amendment created a requirement for the FAA to temporarily restrict unmanned aircraft operations over large eligible public gatherings by issuing Temporary Flight Restrictions (TFRs). A TFR issued under this authorization would restrict unmanned aircraft operations over eligible large public gatherings when requested by credentialed law enforcement organizations.

7. Distribution. This notice is distributed to the following ATO service units: Air Traffic Services, Mission Support Services, and System Operations, and Safety and Technical Training;

the Air Traffic Safety Oversight Service; the William J. Hughes Technical Center; and the Mike Monroney Aeronautical Center.
