Federal Aviation Administration

Memorandum

Date: MAR 1 2 2018

To: AL Spence, Directives Program Manager, ASP-110

From: Brian Rushforth, Manager, Office of Airport Safety and Operations, AAS-300

Prepared by: Freddie James, Airport Certification Safety Inspector, Airport Safety and Operations, AAS-300

Subject: Cancellation of Order 5200.7A Airfield Driver Training

The Office of Airports, Safety and Standards AAS-300 is in the process of cancelling Federal Aviation Administration (FAA) Order 5200.7A *Airfield Driver Training* for FAA Employees. This order is obsolete. All FAA employees with unaccompanied access to the airport movement area receive training. In addition, other organizations in the FAA currently have additional training requirements. The Office of Airports proposes to cancel this order.

The requirement to drive on an airport is in Advisory Circular (AC) 150/5210-20A *Ground Vehicle Operations to include Taxing, or Towing an Aircraft on Airports* and is applicable to all people who travel within the airport movement area unaccompanied.
